EWSolutions Joins Industry Leaders at DAMA Symposium - Wilshire Meta Data Conference

Chicago, IL(2/13/2008) – *EWSolutions* has recently entered into an exciting agreement to present and sponsor the annual DAMA International Symposium & Wilshire Meta Data Conference, scheduled for March 16 – 20, 2008, San Diego California.

This prestigious event will host several key industry leaders, including *EWSolutions* President, David Marco, who will teach the popular day-long tutorial *Managed Meta Data Environment Full Life Cycle Roadmap*. Additionally, *EWSolutions* Vice President Mike Jennings will lead a panel discussion on *What Exactly IS Enterprise Information Management (EIM)?*. *EWSolutions* Director of Education, Anne Marie Smith, will present the workshop *Developing Robust Business Requirements* and serve as co-presenter for *Creating a Personal Training Program for Enterprise Data Management*. Finally, *EWSolutions*' Mark Mosley will present *Data Management Leadership Roles in the DAMA-DMBOK*, in his role as Editor-in-Chief of the DAMA-DMBOK.

EWSolutions has a long standing relationship with DAMA International and major events such as the Wilshire Meta Data Conference. As a sponsor, *EWSolutions* will host a break out session and will also have a booth with several key staff members available to discuss issues and challenges in enterprise information management.

"The DAMA Symposium and Wilshire Meta Data Conference annually attracts data management professionals from all over the world and is best known for its extensive courses, knowledge enhancement and networking opportunities," said David Marco. "We are pleased to once again be associated with such an influential event."

For more information about *EWSolutions* or to set up a one-on-one meet with *EWSolutions*' leaders, please call 866-920-1100.

Enterprise Warehousing Solutions, Inc. (*EWSolutions*) is a Chicago-headquartered strategic partner and full life-cycle systems integrator focused entirely on providing corporations and large government agencies with best-in-class enterprise information management, managed metadata environment, and data warehousing services.
