## ***EWSolutions* Recognizes DAMA's Continued Service With A Financial Commitment to the DAMA Foundation**

**Chicago, IL(3/2/2008)** – *EWSolutions* announced today its commitment to ***The Data Management Association International*** (DAMA) and the data management profession by contributing \$100 of each registration made by a DAMA member to the Marco Masters Series. The donation is intended to support the DAMA Foundation's vital work for data management professionals world-wide.

*EWSolutions* recognizes the inestimable value that DAMA provides to the advancement of the data management profession and as such has committed to an annual contribution to DAMA International through donations from the DAMA member registrations to the Marco Masters Series (<http://www.marcomastersseries.com>). The Marco Masters Series is an annual conference delivering world-class education in meta data management, enterprise information management, data governance and data warehousing.

Each year, DAMA members who enter the discount code of "DAMA-Donation" when they register for the Marco Masters Series will receive a DAMA discount and a \$100 donation will be made from their registration fee to support the DAMA Foundation. DAMA members will receive information regarding their discount and the donation through Marco Masters Series materials and through their chapter mailings.

DAMA International is an international not-for-profit association of data resource management professionals with chapters and Members-At-Large around the world. Through the promotion of Data Resource Management, DAMA strives to support professionals who develop and execute architectures, policies, practices and procedures that properly manage the full data lifecycle needs of
