EWSOLUTIONS' META DATA MANAGEMENT TOOLS STUDY NOW AVAILABLE

Chicago, IL (1/14/09) – *EWSolutions'* latest Meta Data Management Tools Study is now available. This key resource assesses product architecture, strengths and weaknesses, and provides an exhaustive checklist of over 380 functions and features for selected meta data tools. *EWSolutions'* vendor-neutral, independent third party evaluation of the meta data management tools market provides corporations and government entities with the key knowledge needed to select the best meta data management tool for their organization, at a fraction of the cost of developing a detailed, in-depth tool study on an individual basis.

An electronic report of the Meta Data Management Tools Study evaluating Adaptive Metadata Manager, ASG Rochade Repository, CA AllFusion Repository z/OS and IBM Information Server, includes updates for one year following purchase. For more information or to purchase this important resource, contact John Faulkenberry at JFaulkenberry@EWSolutions.com or call (312) 303-4242.

Enterprise Warehousing Solutions, Inc. (*EWSolutions*) is a Chicago-headquartered strategic partner and full life-cycle systems integrator focused entirely on providing corporations and large government agencies with best-in-class enterprise information management, managed metadata environment, and data warehousing services. With this focus, and designation as an approved GSA small business schedule provider, *EWSolutions* is uniquely positioned to assist regional businesses, large government agencies and global organizations alike in leveraging their business investments to attain the most competitive advantage. For more information visit www.EWSolutions.com or email Info@EWSolutions.com.
