EWSOLUTIONS' DIRECTOR OF EDUCATION, ANNE MARIE SMITH, RECEIVES DMFORUM AWARD -- OUTSTANDING CONTRIBUTIONS TO ENTERPRISE INFORMATION MANAGEMENT BEST PRACTICES

New York, NY March 15, 2011 — DMForum presented a special Achievement Award to *EWSolutions'* Director of Education, Anne Marie Smith, Ph.D., at its Enterprise Architecture and Data Warehousing Symposium, held at the Radisson Conference Center in Manhattan.

The award was given to Anne Marie Smith, Director of Education for *EWSolutions*, a Chicago-headquartered full-service consultancy focused on delivering strategic and tactical solutions in enterprise data management, data governance, metadata management, data warehousing and business intelligence, and enterprise data architecture. Dr. Smith is known for her over 20 years of thought leadership in the advancement of enterprise data / information management as a discipline, for the teaching of the discipline's best practices , and for her consulting experiences as a member of the premier consultancy dedicated to enterprise data management.

In presenting the award, the co-founder of DMForum stated, "It is important to recognize Anne Marie's continued service to the data management profession and to the education of data management professionals."

Dr. Smith served as the moderator for the symposium's speakers, on topics such as *The Next Generation of Data Warehousing, Using Data Warehousing and Analytics to Drive Business Strategies*.

For more information on *EWSolutions* and its strategic and tactical data management capabilities, contact info@EWSolutions.com, or visit www.EWSolutions.com.
