EWSOLUTIONS' PRESIDENT AND FOUNDER, DAVID P. MARCO, RECEIVES DMFORUM AWARD -- THOUGHT LEADERSHIP IN METADATA MANAGEMENT and DATA WAREHOUSING

New York, NY October 27, 2006 -- DMForum presented a special Achievement Award to *EWSolutions'* President David Marco at its annual Meta Data and Data Warehousing Symposium, held at the Radisson Conference Center in Manhattan.

The award was given to David P. Marco, president and founder of *EWSolutions*, a Chicago-headquartered full-service consultancy focused on delivering strategic and tactical solutions in enterprise data management, data governance, metadata management, data warehousing and business intelligence, and enterprise data architecture. Mr. Marco is known for his numerous articles and featured columns in a variety of industry journals, two best-selling books on metadata management, and for his leadership of the premier consultancy dedicated to enterprise data management.

In presenting the award, the founder of DMForum stated, "David Marco's thought leadership and demonstrated contributions to the best practices of meta data management and data warehousing must be acknowledged."

DMForum's annual seminar hosted several key industry leaders, including Mr. Marco, who was the opening keynote speaker, with the topic *Enterprise Integration: Future Trends and Directions in "New Age" Metadata Management*.

For more information on *EWSolutions* and its strategic and tactical data management capabilities, contact info@EWSolutions.com, or visit www.EWSolutions.com.
