EWSOLUTIONS LEADERS SELECTED TO JOIN BUSINESS ANALYTICS COLLABORATIVE EXPERTS

CHICAGO, IL May 25, 2016 — Two of EWSolutions' finest have been invited to become founding experts in the Business Analytics Collaborative (BAC) as a result of their continuing excellence in selected areas of enterprise information management, data warehousing, data governance, and metadata management.

David P. Marco, founder and president of *EWSolutions*, has been invited to serve as the premier thought leader in BAC's thought leader for metadata management and data warehousing, and a leader in enterprise data strategy.

Anne Marie Smith, Ph.D., Vice President of Education and Chief Methodologist of *EWSolutions*, has been invited to serve as a thought leader for data governance, data architecture, and enterprise data strategy.

EWSolutions, based in Hinsdale, IL, was founded in 1997. They are a GSA Schedule strategic partner and systems integrator dedicated to providing Global 2000 companies, as well as state and federal government agencies best-in-class solutions focused on enterprise information management, managed metadata environment, business intelligence/data warehousing solutions and data governance and stewardship. *EWSolutions'* consultants average over 16 years of experience and pride themselves on their ability to offer strategic solutions to clients regardless of the industry.

"Being selected to the Business Analytics Collaborative is a real honor," said David Marco. "The collection of experts BAC plans to form is impressive, their ideas for delivering knowledge in the various areas of business intelligence and its companion areas expects to use state-of-the-art technologies, and they hope to connect users globally. So, *EWSolutions* is pleased to be included in this effort."
