EWSOLUTIONS NOMINATED FOR INFORMATION INTEGRITY COALITION AWARD FOR DATA MANAGEMENT

NAPIERVILLE, IL June 18, 2007 — *EWSolutions* has been nominated for one of the main awards by The Information Integrity Coalition (IIC), a not-for-profit organization that promotes awareness and understanding of Information Integrity.

The twelfth annual Excellence in Information Integrity (EII) Award, which recognizes organizations that strive to provide accurate, consistent, and reliable information to their customers, suppliers, and partners will recognize two categories of organizations: For-Profit and Non-Profit. In each category there will be up to three award levels: Gold, Silver, and Bronze.

“With the increased scrutiny and transparency in today’s business environment, progress toward achieving Information Integrity is a very valuable message to take to shareholders, employees, regulators and additional stakeholders,” said Martin Bariff, Ph.D., secretary and board member of the Information Integrity Coalition, and associate professor, Stuart School of Business, Illinois Institute of Technology in Chicago, Illinois. “The vision of the Information Integrity Coalition is that Information Integrity will be globally established as a new discipline and industry. The Excellence in Information Integrity Award attests to such progress.”

EWSolutions was nominated for its work in data management, especially the integration of data governance and metadata management to support data warehousing and business intelligence / analytics.

EWSolutions, based in Hinsdale, IL, was founded in 1997. They are a GSA Schedule strategic partner and systems integrator dedicated to providing Global 2000 companies, as well as state and federal government agencies best-in-class solutions focused on enterprise information management, managed metadata environment, business intelligence/data warehousing solutions and data governance and stewardship. *EWSolutions’* consultants average over 16 years of experience and pride themselves on their ability to offer strategic solutions to clients regardless of the industry.

“Being nominated for this award is an honor,” says David Marco, *EWSolutions’* president and founder. “As more organizations of every industry continue to struggle with staggering quantities of data that are not well integrated, the mission of the Information Integrity Coalition to enable society to use and exchange information has become increasingly important.”
